3. The text of the Certificate of Incorporation as amended or supplemented heretofore is hereby restated without further amendments or changes to read as herein set forth in full:

FOURTH RESTATED CERTIFICATE OF INCORPORATION
OF
CIT GROUP INC.

First: The name of the corporation is CIT Group Inc. (the "Corporation").

Second: The address of the Corporation's registered office in the State of Delaware is Corporation Trust Center, 1209 Orange Street in the City of Wilmington, County of New Castle, Delaware 19801, and the name of the registered agent at such address is The Corporation Trust Company.

Third: The purpose of the Corporation is to engage in any lawful act or activity for which corporations may be organized under the General Corporation Law of the State of Delaware (the "General Corporation Law").

Fourth:
(a) The total number of shares of stock that the Corporation shall have authority to issue is seven hundred million (700,000,000), consisting of (i) one hundred million (100,000,000) shares of preferred stock, par value $.01 per share (the "Preferred Stock") and (ii) six hundred million (600,000,000) shares of common stock, par value $.01 per share (the "Common Stock").

(b) The board of directors of the Corporation (the "Board of Directors") is hereby expressly authorized at any time and from time to time to provide for the issuance of all or any shares of the Preferred Stock in one or more classes or series and, by filing a
certificate pursuant to the applicable law of the State of Delaware (a "Preferred Stock Designation"), to establish the number of shares to be included in each such class or series and to fix for each such class or series such voting powers, full or limited, or no voting powers, and such distinctive designations, preferences and relative, participating, optional or other special rights and such qualifications, limitations or restrictions thereof, as shall be stated and expressed in the resolution or resolutions adopted by the Board of Directors providing for the issuance of such class or series and to the fullest extent as may now or hereafter be permitted by the General Corporation Law, including, without limiting the generality of the foregoing, the authority to provide that any such class or series may be (i) subject to redemption at such time or times and at such price or prices; (ii) entitled to receive dividends (which may be cumulative or non-cumulative) at such rates, on such conditions, and at such times, and payable in preference to, or in such relation to, the dividends payable on any other class or classes or any other series; (iii) entitled to such rights upon the dissolution of, or upon any distribution of the assets of, the Corporation; or (iv) convertible into, or exchangeable for, shares of any other class or classes of stock, or of any other series of the same or any other class or classes of stock, or other securities or property, of the Corporation at such price or prices or at such rates of exchange and with such adjustments; all as may be stated in such resolution or resolutions. Unless otherwise provided in such resolution or resolutions providing for any class or series of Preferred Stock, shares of Preferred Stock of such class or series which shall be issued and thereafter acquired by the Corporation through purchase, redemption, exchange, conversion or otherwise shall return to the status of authorized but unissued Preferred Stock.

(c) The Common Stock shall be subject to the express terms of the Preferred Stock and any series thereof. Except as may be provided in this Certificate of Incorporation or in a Preferred Stock Designation or by applicable law, the holders of shares of Common Stock shall be entitled to one vote for each such share upon all questions presented to the stockholders, the Common Stock shall have the exclusive right to vote for the election of directors and for all other purposes, and holders of Preferred Stock shall not be entitled to receive notice of any meeting of stockholders at which they are not entitled to vote. The holders of the shares of Common Stock shall at all times, except as otherwise provided in this Certificate of Incorporation or as required by law, vote as one class, together with the holders of any other class or series of stock of the Corporation accorded such general voting rights.

(d) The number of authorized shares of any class or classes of stock may be increased or decreased (but not below the number of shares thereof then outstanding) by the affirmative vote of the holders of a majority of the stock of the Corporation entitled to vote and not by a vote of each class of stock.

Fifth: In furtherance of, and not in limitation of, the powers conferred by law, the Board of Directors is expressly authorized and empowered:

(1) to adopt, amend or repeal the by-laws of the Corporation (the "By-Laws"), provided that the By-Laws adopted by the Board of Directors under the powers hereby conferred may be amended or repealed by the Board of Directors or by the
stockholders having voting power with respect thereto, provided further that, in the case of the stockholders, the affirmative vote of the holders of at least 66 2/3% of the voting power of the then outstanding Voting Stock, voting as a single class, shall be required in order for the stockholders to alter, amend or repeal any provisions of the By-Laws or adopt any additional By-Laws; and

(2) from time to time to determine whether and to what extent, and at what times and places, and under what conditions and regulations, the accounts and books of the Corporation, or any of them, shall be open to inspection of stockholders; and, except as so determined or as expressly provided in this Certificate of Incorporation or in any Preferred Stock Designation, no stockholder shall have any right to inspect any account, book or document of the Corporation other than such rights as may be conferred by applicable law.

The Corporation may in its By-Laws confer powers upon its directors in addition to the foregoing and in addition to the powers and authorities expressly conferred upon them by the laws of the State of Delaware.

Sixth:

(a) Subject to the rights of the holders of any class or series of Preferred Stock to elect additional directors under specified circumstances, the number of directors of the Corporation shall be fixed in such manner as may be prescribed by the By-Laws and may be increased or decreased from time to time in such a manner as may be prescribed by the By-Laws. Unless and except to the extent that the By-Laws of the Corporation shall so require, the election of directors of the Corporation need not be by written ballot.

(b) Subject to the rights of the holders of any class or series of Preferred Stock to elect additional directors under specified circumstances, at each annual meeting of the stockholders of the Corporation, directors shall be elected in accordance with the provisions of the By-Laws to hold office for a term expiring at the next annual meeting of the stockholders of the Corporation and until their successors shall be elected and qualified, subject to their prior death, resignation, retirement disqualification or removal from office.

(c) Subject to the rights of the holders of any series of Preferred Stock to elect additional directors under specified circumstances, vacancies resulting from death, resignation, retirement, disqualification, removal from office or other cause, and newly created directorships resulting from any increase in the authorized number of directors, may be filled only by the affirmative vote of a majority of the remaining directors, though less than a quorum of the Board of Directors, or the sole remaining director, and directors so chosen shall hold office for a term expiring at the next annual meeting of stockholders and until their successors shall have been duly elected and qualified, subject to their prior death, resignation, retirement disqualification or removal from office. No decrease in the number of authorized directors constituting the Board of Directors shall shorten the term of any incumbent director.
(d) Subject to the rights of the holders of any series of Preferred Stock to elect additional directors under specified circumstances, any director may be removed from office at any time with or without cause and by the affirmative vote of the holders of at least a simple majority of the voting power of the then outstanding Voting Stock, voting as a single class.

Seventh:

(a) Subject to the rights of the holders of any class or series of Preferred Stock, any action required or permitted to be taken by the stockholders of the Corporation must be effected at a duly called annual or special meeting of the stockholders of the Corporation and may not be effected by any consent in writing in lieu of a meeting of the stockholders of the Corporation.

(b) Advance notice of stockholder nominations for the election of directors and of business to be brought by stockholders before any meeting of stockholders of the Corporation shall be given in the manner prescribed in the By-Laws. At any annual meeting or special meeting of stockholders of the Corporation, only such business shall be conducted as shall have been brought before such meeting in the manner prescribed in the By-Laws.

(c) Unless otherwise prescribed by law or this Certificate of Incorporation, special meetings of stockholders of the Corporation may be called at any by (i) the Chairman of the Board of Directors or secretary of the Corporation at the request in writing of stockholders holding at least 25% of the voting power of the issued and outstanding common stock of the Corporation entitled to vote generally for the election of directors or (ii) by the Board of Directors in its discretion. Such a written request of stockholders shall state the purpose or purposes of the proposed meeting. Business transacted at any special meeting shall be limited to the purpose or purposes set forth in the notice of the meeting.

Eighth: No director shall be personally liable to the Corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except (i) for liability under Section 174 of the General Corporation Law or (ii) for liability, subject to any and all other requirements for liability, (a) for any breach of such director's duty of loyalty to the Corporation or its stockholders, (b) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law or (c) for any transaction from which such director derived an improper personal benefit. Neither the amendment nor repeal of this Article EIGHTH shall adversely affect any right or protection of any director of the Corporation existing hereunder with respect to any act or omission occurring prior to such amendment or repeal. If the General Corporation Law shall be amended to authorize corporate action further eliminating or limiting the liability of directors, then each director of the Corporation, in addition to the circumstances in which such director shall not be liable immediately prior to such amendment, shall be exempt from and free of liability to the fullest extent permitted by the General Corporation Law as so amended.
Ninth: Each person who is or was a director or officer of the Corporation shall be indemnified by the Corporation to the fullest extent permitted from time to time by the General Corporation Law as the same presently exists or may hereafter be amended (but, if permitted by applicable law, in the case of any amendment, only to the extent that such amendment permits the Corporation to provide broader indemnification rights than permitted prior to such amendment) or any other applicable law as presently or hereafter in effect. The Corporation may, by action of the Board of Directors, provide indemnification to employees and agents (in addition to directors and officers) of the Corporation, to the directors, officers, employees or agents of any direct or indirect subsidiary of the Corporation and to each person serving as a director, officer, partner, member, employee or agent of another corporation, partnership, limited liability company, joint venture, trust or other enterprise, at the request of the Corporation, with the same scope and effect as the foregoing indemnification of directors and officers of the Corporation. The Corporation shall, be required to indemnify any person seeking indemnification in connection with a proceeding (or part thereof) initiated by such person only if such proceeding (or part thereof) was authorized by the Board of Directors or is a proceeding to enforce such person’s claim to indemnification pursuant to rights granted in this Certificate of Incorporation or otherwise by the Corporation. Without limiting the generality or effect of the foregoing, the Corporation may adopt by-laws or enter into one or more agreements with any persons or persons which provide for indemnification greater or different than that provided in this Article NINTH. Any amendment or repeal of this Article NINTH shall not adversely affect any right or protection existing hereunder in respect of any act or omission occurring prior to such amendment or repeal. The indemnification provided for herein shall not be deemed exclusive of any other rights to which any person seeking indemnification may be entitled, whether as a matter of law or otherwise, and shall inure to the benefit of the heirs, executors and administrators of such person.

Tenth:

(a) Except as may be expressly provided in this Certificate of Incorporation, the Corporation reserves the right at any time and from time to time to amend, alter, change or repeal any provision contained in this Certificate of Incorporation or in any Preferred Stock Designation, and any other provisions authorized by the laws of the State of Delaware at the time in force may be added hereto or inserted herein, in the manner now or hereafter prescribed herein or by applicable law, and all rights, preferences and privileges of whatsoever nature conferred upon stockholders, directors, officers or any other persons whomsoever by and pursuant to this Certificate of Incorporation in its present form or as hereafter amended are granted subject to this reservation, provided that any amendment or repeal of Article EIGHTH or Article NINTH of this Certificate of Incorporation shall not adversely affect any right or protection existing thereunder in respect of any act or omission occurring prior to such amendment or repeal, and provided further that no Preferred Stock Designation shall be amended after issuance of any shares of any series of Preferred Stock created thereby, except in accordance with the terms of such Preferred Stock Designation and the requirements of applicable law.
(b) For purposes of this Certificate of Incorporation, "Voting Stock" means the outstanding shares of capital stock of the Corporation entitled to vote generally in the election of directors. Notwithstanding anything contained in this Certificate of Incorporation to the contrary, and in addition to approval of the Board of Directors, the affirmative vote of the holders of at least 662/3% of the voting power of the then outstanding Voting Stock, voting together as a single class, shall be required to amend, repeal or adopt any provision inconsistent with (i) paragraph (1) of Article FIFTH, (ii) Article SIXTH, (iii) Article SEVENTH or (iv) paragraph (b) of this Article TENTH.

Eleventh: The Corporation shall not issue any non-voting equity securities to the extent prohibited by Section 1123 of Title 11 of the United States Code (the "Bankruptcy Code"), as in effect on the effective date of the First Amended Prepackaged Plan of Reorganization of CIT Group Inc. and CIT Group Funding Company of Delaware LLC.

IN WITNESS WHEREOF, the Corporation has caused this Certificate to be signed by Christopher H. Paul, its Senior Vice President & Assistant Secretary, this 17th day of May 2016.

OF
CIT GROUP INC.

CIT Group Inc., a corporation organized and existing under the laws of the State of Delaware (the “Corporation”), pursuant to Section 151 of the General Corporation Law of the State of Delaware, does hereby certify:

The Pricing Committee of the Board of Directors of the Corporation (the “Pricing Committee”), duly authorized by the Board of Directors of the Corporation (the “Board”) by resolutions of the Board duly adopted on December 5, 2016, as amended on May 25, 2017 (the “Board Resolutions”) and acting in accordance with such resolutions, the Corporation’s Fourth Restated Certificate of Incorporation, as amended to date, the Corporation’s Amended and Restated By-Laws, as amended through May 10, 2016, and applicable law, has adopted the following resolution on May 31, 2017, creating a series of Preferred Stock of up to 325,000 shares from the Corporation’s authorized Preferred Stock, which series of Preferred Stock is to be designated as “Fixed-to-Floating Rate Non-Cumulative Perpetual Preferred Stock, Series A” (the “Series A Preferred Stock”):

RESOLVED, that pursuant to the authority granted to and vested in the Pricing Committee by the Board Resolutions, the Series A Preferred Stock, established by the Board Resolutions, shall be designated as the “Fixed-to-Floating Rate Non-Cumulative Perpetual Preferred Stock, Series A,” and shall consist of 325,000 shares, and the Pricing Committee hereby fixes and determines the terms, preferences, privileges, designations, rights, limitations and restrictions thereof as set forth below:

1. Definitions. The following terms used herein shall be defined as set forth below:

   “Appropriate Federal Banking Agency” means the “appropriate Federal banking agency” with respect to the Corporation as defined in Section 3(q) of the Federal Deposit Insurance Act (12 U.S.C. Section 1813(q)), or any successor provision.

   “Articles” means the Fourth Restated Certificate of Incorporation of the Corporation, as it may be amended or restated from time to time.

   “Business Day” means any day, other than a Saturday or Sunday, that is neither a legal holiday nor a day on which banking institutions are authorized or required by law or regulation to close in The City of New York.

   “Bylaws” means the Amended and Restated By-Laws of the Corporation, as they may be amended or restated from time to time.

   “Common Stock” means the common stock of the Corporation, $0.01 par value per share.

2. Designation and Number of Shares. A series of Preferred Stock designated the “Fixed-to-Floating Rate Non-Cumulative Perpetual Preferred Stock, Series A” (hereinafter called “Series A Preferred Stock”) is established hereby, and the authorized number of shares that shall constitute such series shall be 325,000 shares, $0.01 par value per share, and such shares shall have a liquidation preference of $1,000 per share. The number of shares constituting the Series A Preferred Stock may be increased from time to time by resolution of the Board or a duly authorized committee of the Board in accordance with the Articles (as then in effect), the Bylaws (as then in effect) and applicable law up to the maximum number of shares of Preferred Stock authorized to be issued under the Corporation’s Articles (as then in effect) less all shares at the time authorized of any other series of Preferred Stock or decreased from time to time by a resolution of the Board or a duly authorized committee of the Board in
accordance with the Articles (as then in effect), the Bylaws (as then in effect) and applicable law but not below the number of shares of Series A Preferred Stock then outstanding. Shares of Series A Preferred Stock shall be dated the date of issue, which date shall be referred to herein as the “original issue date.” Shares of outstanding Series A Preferred Stock that are redeemed, purchased or otherwise acquired by the Corporation shall be cancelled and shall revert to authorized but unissued shares of the Corporation’s Preferred Stock, undesignated as to series.

3. **Ranking.** The shares of Series A Preferred Stock shall rank:

   (a) senior, as to dividends and upon liquidation, dissolution and winding-up, to the Common Stock and to any other class or series of capital stock of the Corporation now or hereafter authorized, issued or outstanding that, by its terms, does not expressly provide that such class or series ranks pari passu with the Series A Preferred Stock or senior to the Series A Preferred Stock as to dividends and upon liquidation, dissolution and winding-up, as the case may be (collectively, “Series A Junior Securities”);

   (b) on a parity, as to dividends and upon liquidation, dissolution and winding-up, with any class or series of capital stock of the Corporation now or hereafter authorized, issued or outstanding that, by its terms, expressly provides that such class or series ranks pari passu with the Series A Preferred Stock as to dividends and upon liquidation, dissolution and winding-up, as the case may be (collectively, “Series A Parity Securities”); and

   (c) junior, as to dividends and upon liquidation, dissolution and winding-up, to any other class or series of capital stock of the Corporation now or hereafter authorized, issued or outstanding that, by its terms, expressly provides that such class or series ranks senior to the Series A Preferred Stock as to dividends and upon liquidation, dissolution and winding-up, as the case may be.

The Corporation may authorize and issue additional shares of Series A Junior Securities and Series A Parity Securities from time to time without the consent of the holders of the Series A Preferred Stock.

4. **Dividends.**

   (a) Holders of Series A Preferred Stock will be entitled to receive, only when, as and if declared by the Board or a duly authorized committee of the Board, on each Series A Dividend Payment Date, out of assets legally available for the payment of dividends thereof, non-cumulative cash dividends based on the liquidation preference of the Series A Preferred Stock of $1,000 per share at a rate equal to (i) 5.800% per annum for each Series A Dividend Period (as defined below) from the original issue date of the Series A Preferred Stock to, but excluding, June 15, 2022 (the “Fixed Rate Period”) and (ii) three-month LIBOR (as defined below) plus a spread of 3.972% per annum, for each Series A Dividend Period beginning on or after June 15, 2022 to, but excluding, the date of redemption (if any) of the Series A Preferred Stock (the “Floating Rate Period”). If the Corporation issues additional shares of the Series A Preferred Stock after the original issue date, dividends on such shares may accrue from the original issue or any other date specified by the Board or a duly authorized committee of the Board at the time such additional shares are issued.

   (b) If declared by the Board or a duly authorized committee of the Board, dividends will be payable on the Series A Preferred Stock semi-annually in arrears on June 15 and December 15 of each year, beginning on December 15, 2017 and ending on June 15, 2022 and, thereafter, quarterly in arrears on March 15, June 15, September 15 and December 15 of each year, beginning on September 15, 2022, each such day a “Series A Dividend Payment Date”; provided, however, that (i) if any such Series A Dividend Payment Date on or before June 15, 2022 is not a Business Day, then such date shall nevertheless be a Series A Dividend Payment Date but dividends on the Series A Preferred Stock shall be paid on the next succeeding Business Day (without any adjustment to the amount of the dividend per share of Series A Preferred Stock) and (ii) if any such Series A Dividend Payment Date after June 15, 2022 is not a Business Day, then the next succeeding Business Day shall be the applicable Series A Dividend Payment Date relating to such Series A Dividend Period and dividends shall accrue to and be paid on the next succeeding Business Day.
(c) Dividends will be payable to holders of record of Series A Preferred Stock on the applicable record date, which shall be the 15th calendar day before the applicable Series A Dividend Payment Date, or such other record date, not less than 15 calendar days nor more than 30 calendar days before the applicable Series A Dividend Payment Date, as such record date shall be fixed by the Board or a duly authorized committee of the Board.

(d) A “Series A Dividend Period” is the period from and including a Series A Dividend Payment Date to, but excluding, the next succeeding Series A Dividend Payment Date, except that the initial Series A Dividend Period will commence on and include the original issue date of Series A Preferred Stock and continue to but exclude December 15, 2017. Dividends payable on Series A Preferred Stock for the Fixed Rate Period will be computed on the basis of a 360-day year consisting of twelve 30-day months. Dividends payable on the Series A Preferred Stock for the Floating Rate Period will be computed by multiplying the per annum dividend rate in effect for the Floating Rate Period by a fraction, the numerator of which shall be the actual number of days in that Floating Rate Period and the denominator of which shall be 360, and by multiplying the rate obtained by $1,000 to determine the dividend per share of Series A Preferred Stock. Dollar amounts resulting from that calculation will be rounded to the nearest cent, with one-half cent being rounded upwards. Dividends on the Series A Preferred Stock will cease to accrue on the redemption date, if any, with respect to the Series A Preferred Stock, unless the Corporation defaults in the payment of the redemption price of the Series A Preferred Stock called for redemption.

(e) The dividend rate for each Series A Dividend Period during the Floating Rate Period will be determined by the calculation agent using three-month LIBOR (as defined below) as in effect on the second London business day immediately preceding the first day of the Series A Dividend Period, which date is the “dividend determination date” for the applicable Series A Dividend Period. The calculation agent then will add the spread of 3.972% per annum to the three-month LIBOR rate as determined on the dividend determination date. Absent manifest error, the calculation agent’s determination of the dividend rate, and its calculation of the amount of dividends, for a Series A Dividend Period will be binding and conclusive on holders of Series A Preferred Stock, the transfer agent and the Corporation. A “London business day” is any day that is a Monday, Tuesday, Wednesday, Thursday or Friday and is a day on which dealings in U.S. dollars are transacted in the London interbank market.

The term “three-month LIBOR” means the London interbank offered rate for deposits in U.S. dollars having an index maturity of three months in amounts of at least $1,000,000, as that rate appears on Reuters screen page “LIBOR01”, or any successor page, at approximately 11:00 a.m., London time, on the relevant dividend determination date. If no offered rate appears on Reuters screen page “LIBOR01”, or any successor page, on the relevant dividend determination date at approximately 11:00 a.m., London time, then the calculation agent, after consultation with the Corporation, will select four major banks in the London interbank market and will request each of their principal London offices to provide a quotation of the rate at which three-month deposits in U.S. dollars in amounts of at least $1,000,000 are offered by it to prime banks in the London interbank market, on that date and at that time, that is representative of single transactions at that time. If at least two quotations are provided, three-month LIBOR will be the arithmetic average (rounded upward, if necessary, to the nearest .00001 of 1%) of the quotations provided. Otherwise, the calculation agent will select three major banks in New York City and will request each of them to provide a quotation of the rate offered by it at approximately 11:00 a.m., New York City time, on the dividend determination date for loans in U.S. dollars to leading European banks having an index maturity of three months for the applicable Series A Dividend Period in an amount of at least $1,000,000 that is representative of single transactions at that time. If three quotations are provided, three-month LIBOR will be the arithmetic average (rounded upward, if necessary, to the nearest .00001 of 1%) of the quotations provided. Otherwise, three-month LIBOR for the next Series A Dividend Period will be equal to three-month LIBOR in effect for the then-current Series A Dividend Period, or, in the case of the first Series A Dividend Period within the Floating Rate Period, the most recent rate that could have been determined had such Series A Dividend Period commenced prior to the Floating Rate Period.

(f) Dividends on the Series A Preferred Stock will not be cumulative. If the Board or a duly authorized committee of the Board does not declare a dividend, in full or otherwise, on the Series A Preferred Stock in respect of a Series A Dividend Period, then such unpaid dividends shall cease to accrue, shall not be payable on the applicable Series A Dividend Payment Date or be cumulative, and the Corporation will have no obligation to
pay (and the holders of the Series A Preferred Stock shall have no right to receive) dividends accrued for such Series A Dividend Period after the Series A Dividend Payment Date for such Series A Dividend Period, whether or not the Board or a duly authorized committee of the Board declares a dividend for any future Series A Dividend Period with respect to the Series A Preferred Stock, the Corporation’s Common Stock, or any other class or series of the Corporation’s Preferred Stock. No interest, or sum of money in lieu of interest shall be payable in respect of any dividend not declared.

(g) notwithstanding any other provision hereof, dividends on the Series A Preferred Stock shall not be declared, paid or set aside for payment to the extent such act would cause the Corporation to fail to comply with the laws and regulations applicable thereto, including applicable capital adequacy rules of the Board of Governors of the Federal Reserve System (the “Federal Reserve”) or, as and if applicable, the capital adequacy rules or regulations of any appropriate Federal Banking Agency.

(h) So long as any share of Series A Preferred Stock remains outstanding:

1. no dividend shall be declared or paid or set aside for payment, and no distribution shall be declared or made or set aside for payment, on any Series A Junior Securities, other than (i) a dividend payable solely in Series A Junior Securities or (ii) any dividend in connection with the implementation of a shareholders’ rights plan, or the issuance of rights, stock or other property under any such plan, or the redemption or repurchase of any rights under such plan;

2. no shares of Series A Junior Securities shall be repurchased, redeemed or otherwise acquired for consideration by the Corporation, directly or indirectly, other than (i) as a result of a reclassification of Series A Junior Securities for or into other Series A Junior Securities, (ii) the exchange or conversion of one share of Series A Junior Securities for or into another share of Series A Junior Securities, (iii) through the use of the proceeds of a substantially contemporaneous sale of other shares of Series A Junior Securities, (iv) purchases, redemptions or other acquisitions of shares of Series A Junior Securities in connection with any employment contract, benefit plan or other similar arrangement with or for the benefit of employees, officers, directors or consultants, (v) purchases of shares of Series A Junior Securities pursuant to a contractually binding requirement to buy Series A Junior Securities existing prior to the preceding Series A Dividend Period, including under a contractually binding stock repurchase plan, or (vi) the purchase of fractional interests in shares of Series A Junior Securities pursuant to the conversion or exchange provisions of such stock or the security being converted or exchanged; nor shall any monies be paid to or made available for a sinking fund for the redemption of any such securities by the Corporation; and

3. no shares of Series A Parity Securities shall be repurchased, redeemed or otherwise acquired for consideration by the Corporation, directly or indirectly, other than (i) pursuant to pro rata offers to purchase all, or a pro rata portion, of Series A Preferred Stock and such Series A Parity Securities, (ii) as a result of a reclassification of Series A Parity Securities for or into other Series A Parity Securities, (iii) the exchange or conversion of one share of Series A Parity Securities for or into another share of Series A Parity Securities, (iv) through the use of the proceeds of a substantially contemporaneous sale of other shares of Series A Parity Securities, (v) purchases of shares of Series A Parity Securities pursuant to a contractually binding requirement to buy Series A Parity Securities existing prior to the preceding Series A Dividend Period, including under a contractually binding stock repurchase plan, or (vi) the purchase of fractional interests in shares of Series A Parity Securities pursuant to the conversion or exchange provisions of such stock or the security being converted or exchanged; nor shall any monies be paid to or made available for a sinking fund for the redemption of any such securities by the Corporation

unless, in each case, the full dividends for the most recently completed Series A Dividend Period on all outstanding shares of Series A Preferred Stock have been declared and paid or declared and a sum sufficient for the payment thereof has been set aside.

(i) notwithstanding the foregoing, when dividends are not paid in full, or set aside for payment in full, on any dividend payment date, upon the shares of Series A Preferred Stock and any Series A Parity Securities, all dividends declared upon shares of Series A Preferred Stock and any Series A Parity Securities for
such dividend payment date shall be declared on a pro rata basis in proportion to the respective amounts of undeclared and unpaid dividends for the Series A Preferred Stock and all Series A Parity Securities on such dividend payment date. To the extent a dividend period with respect to any Series A Parity Securities coincides with more than one Series A Dividend Period, for purposes of the immediately preceding sentence the Board shall treat such dividend period as two or more consecutive dividend periods, none of which coincides with more than one Series A Dividend Period, or shall treat such dividend period(s) with respect to any Series A Parity Securities and Series A Dividend Period(s) for purposes of the immediately preceding sentence in any other manner that it deems to be fair and equitable in order to achieve ratable payments of dividends on such Series A Parity Securities and the Series A Preferred Stock. To the extent a Series A Dividend Period coincides with more than one dividend period with respect to any Series A Parity Securities, for purposes of the first sentence of this paragraph the Board shall treat such Series A Dividend Period as two or more consecutive Series A Dividend Periods, none of which coincides with more than one dividend period with respect to such Series A Parity Securities, or shall treat such Series A Dividend Period(s) and dividend period(s) with respect to any Series A Parity Securities for purposes of the first sentence of this paragraph in any other manner that it deems to be fair and equitable in order to achieve ratable payments of dividends on the Series A Preferred Stock and such Series A Parity Securities. For the purposes of this paragraph, the term "dividend period" as used with respect to any Series A Parity Securities means such dividend periods as are provided for in the terms of such Series A Parity Securities.

(j) Subject to the foregoing, and not otherwise, dividends (payable in cash, stock or otherwise), as may be determined by the Board or a duly authorized committee of the Board, may be declared and paid on the Common Stock and any other class or series of capital stock ranking equally with or junior to Series A Preferred Stock from time to time out of any assets legally available for such payment, and the holders of Series A Preferred Stock shall not be entitled to participate in any such dividend.

5. Liquidation.

(a) Upon any voluntary or involuntary liquidation, dissolution or winding-up of the Corporation, holders of Series A Preferred Stock are entitled to receive out of assets of the Corporation available for distribution to shareholders, after satisfaction of liabilities or obligations to creditors, if any, and subject to the rights of holders of any securities ranking senior to or on parity with Series A Preferred Stock with respect to distributions of assets, before any distribution of assets is made to holders of Common Stock or any Series A Junior Securities, a liquidating distribution in the amount of the liquidation preference of $1,000 per share plus any declared and unpaid dividends prior to the payment of the liquidating distribution, without accumulation of any dividends that have not been declared prior to the payment of the liquidating distribution. After payment of the full amount of such liquidating distribution, the holders of Series A Preferred Stock shall not be entitled to any further participation in any distribution of assets of the Corporation.

(b) In any such liquidating distribution, if the assets of the Corporation are not sufficient to pay the liquidation preferences (as defined below) in full to all holders of Series A Preferred Stock and all holders of any Series A Parity Securities, the amounts paid to the holders of Series A Preferred Stock and to the holders of all Series A Parity Securities will be paid pro rata in accordance with the respective aggregate liquidating preferences owed to those holders. In any such distribution, the "liquidation preference" of any holder of Series A Preferred Stock or any Series A Parity Securities means the amount otherwise payable to such holder in such distribution (assuming no limitation on our assets available for such distribution), including any declared but unpaid dividends (and, in the case of any holder of stock other than the Series A Preferred Stock on which dividends accrue on a cumulative basis, an amount equal to any unpaid, accrued, cumulative dividends, whether or not declared, as applicable). If the liquidation preference has been paid in full to all holders of Series A Preferred Stock and any Series A Parity Securities, the holders of the Corporation's Series A Junior Securities shall be entitled to receive all remaining assets of the Corporation according to their respective rights and preferences.

(c) For purposes of this Section 5, neither the sale, conveyance, exchange or transfer of all or substantially all of the assets or business of the Corporation for cash, securities or other property, nor the merger or consolidation of the Corporation with any other entity, including a merger or consolidation in which the holders of Series A Preferred Stock receive cash, securities or property for their shares, shall constitute a liquidation,
dissolution or winding-up of the Corporation.

6. Redemption.

(a) Series A Preferred Stock is not subject to any mandatory redemption, sinking fund or other similar provisions. Series A Preferred Stock is not redeemable prior to June 15, 2022. On and after that date, shares of Series A Preferred Stock at the time outstanding will be redeemable at the option of the Corporation, subject to the approval of the Federal Reserve or any Appropriate Federal Banking Agency, in whole or in part, from time to time, on any Series A Dividend Payment Date, at a redemption price equal to $1,000 per share, plus any declared and unpaid dividends, without accumulation of any undeclared dividends. Holders of Series A Preferred Stock will have no right to require the redemption or repurchase of Series A Preferred Stock. Notwithstanding the foregoing, within 90 days following the occurrence of a Regulatory Capital Treatment Event (as defined below), the Corporation, at its option, may redeem, at any time, all (but not less than all) of the shares of the Series A Preferred Stock at the time outstanding, at a redemption price equal to $1,000 per share, plus any declared and unpaid dividends, without accumulation of any undeclared dividends, upon notice given as provided in sub-section (b) below. Any declared but unpaid dividends payable on a redemption date that occurs subsequent to the record date for a Series A Dividend Period shall not be paid to the holder entitled to receive the redemption price on the redemption date, but rather shall be paid to the holder of record of the redeemed shares on such record date relating to the Series A Dividend Payment Date as provided in Section 4(c) above. In all cases, the Corporation may not redeem shares of the Series A Preferred Stock without having received the prior approval of the Federal Reserve or any successor Appropriate Federal Banking Agency if then required under capital rules applicable to the Corporation.

A “Regulatory Capital Treatment Event” means the good faith determination by the Board or a duly authorized committee of the Board that, as a result of (i) any amendment to, or change in, the laws or regulations of the United States or any political subdivision of or in the United States (including, for the avoidance of doubt, any agency or instrumentality of the United States, including the Federal Reserve and other federal banking agencies) that is enacted or becomes effective after the initial issuance of any share of the Series A Preferred Stock; (ii) any proposed change in those laws or regulations that is announced after the initial issuance of any share of the Series A Preferred Stock; or (iii) any official administrative decision or judicial decision or administrative action or other official pronouncement interpreting or applying those laws or regulations that is announced after the initial issuance of any share of the Series A Preferred Stock, there is more than an insubstantial risk that the Corporation will not be entitled to treat the full liquidation value of the shares of the Series A Preferred Stock then outstanding as “Tier 1 Capital” (or its equivalent) for purposes of the capital adequacy rules of the Federal Reserve (or, as and if applicable, the capital adequacy rules or regulations of any successor Appropriate Federal Banking Agency), as then in effect and applicable, for as long as any share of the Series A Preferred Stock is outstanding.

(b) If shares of Series A Preferred Stock are to be redeemed, the notice of redemption shall be given to the holders of record of Series A Preferred Stock to be redeemed by first class mail, postage prepaid, addressed to the holders of record of such shares to be redeemed at their respective last addresses appearing on the Corporation’s stock register not less than 30 days nor more than 60 days prior to the date fixed for redemption thereof (provided that, if the shares of Series A Preferred Stock are held in book-entry form through The Depository Trust Company, or “DTC”, the Corporation may give such notice in any manner permitted by DTC). Each notice of redemption will include a statement setting forth: (i) the redemption date; (ii) the number of shares of Series A Preferred Stock to be redeemed and, if less than all the shares held by such holder are to be redeemed, the number of such shares to be redeemed from such holder; (iii) the redemption price; and (iv) that dividends on the shares to be redeemed will cease to accrue on the redemption date. If notice of redemption of any shares of Series A Preferred Stock has been duly given and if the funds necessary for such redemption have been set aside by the Corporation for the benefit of the holders of any shares of Series A Preferred Stock so called for redemption, then, on and after the redemption date, dividends will cease to accrue on such shares of Series A Preferred Stock, such shares of Series A Preferred Stock shall no longer be deemed outstanding and all rights of the holders of such shares will terminate, except the right to receive the redemption price described in sub-section (a) above, without interest.

(c) In case of any redemption of only part of the shares of Series A Preferred Stock at the time
outstanding, the shares to be redeemed shall be selected either pro rata, by lot or in such other manner as the Corporation may determine to be equitable and permitted by DTC and the rules of any national securities exchange on which the Series A Preferred Stock is listed.

(a) Except as provided below or as expressly required by law, the holders of shares of Series A Preferred Stock shall have no voting power, and no right to vote on any matter at any time, either as a separate series or class or together with any other series or class of shares of capital stock, and shall not be entitled to call a meeting of such holders for any purpose, nor shall they be entitled to participate in any meeting of the holders of the Common Stock.

(b) So long as any shares of Series A Preferred Stock remain outstanding, the affirmative vote or consent of the holders of at least two-thirds of all of the shares of Series A Preferred Stock at the time outstanding, voting separately as a class, shall be required to:

(1) authorize, create or issue, or increase the authorized amount of, shares of any class or series of stock ranking senior to the Series A Preferred Stock with respect to payment of dividends or the distribution of assets upon liquidation, dissolution or winding up of the Corporation, or issue any obligation or security convertible into or exchangeable for or evidencing the right to purchase, any such class or series of the Corporation’s capital stock;

(2) amend, alter or repeal the provisions of the Corporation’s Articles (including this Certificate of Designation), whether by merger, consolidation or otherwise, so as to materially and adversely affect the powers, preferences, privileges or rights of Series A Preferred Stock, taken as a whole; provided, however, that any amendment to authorize, create or issue, or increase the authorized amount of, any Series A Junior Securities or any Series A Parity Securities, or any securities convertible into or exchangeable for Series A Junior Securities or Series A Parity Securities, will not be deemed to materially and adversely affect the powers, preferences, privileges or rights of Series A Preferred Stock; or

(3) consolidate with or merge into any other corporation, complete a binding share exchange or reclassification involving the Series A Preferred Stock or complete the sale, conveyance, exchange or transfer of all or substantially all of the assets or business of the Corporation unless, in any case, the shares of Series A Preferred Stock outstanding at the time of such consolidation or merger or sale either (i) remain outstanding or (ii) are converted into or exchanged for preference securities of the surviving entity or any entity controlling the surviving entity having such rights, preferences, privileges and powers (including voting powers), taken as a whole, as are not materially less favorable to the holders thereof than the rights, preferences, privileges and powers (including voting powers) of the Series A Preferred Stock, taken as a whole.

The foregoing voting provisions will not apply if, at or prior to the time when the act with respect to which such vote would otherwise be required shall be effected, all outstanding shares of Series A Preferred Stock shall have been redeemed or called for redemption upon proper notice and sufficient funds shall have been set aside by the Corporation for the benefit of the holders of Series A Preferred Stock to effect such redemption.

(c) If the Corporation fails to pay, or declare and set aside for payment, dividends on outstanding shares of the Series A Preferred Stock or any Series A Parity Securities which has voting rights on parity with the voting rights provided to the Series A Preferred Stock (“Special Voting Preferred Stock) for any Series A Dividend Periods that, in aggregate, equal 18 months, whether or not consecutive (a “Nonpayment Event”), the authorized number of directors of the Corporation shall be increased by two and the holders of the Series A Preferred Stock (along with holders of any Special Voting Preferred Stock then outstanding, voting together as a class based on respective liquidation preferences), shall have the right to elect two directors (hereinafter the “Preferred Directors” and each a “Preferred Director”) to fill such newly-created directorships; provided, however, that at no time shall the Board include more than two Preferred Directors. At the request of any holder of Series A Preferred Stock, a special meeting of the holders of Series A Preferred Stock
Special Voting Preferred Stock shall be called by the Corporation for the election of the Preferred Directors; provided, however, that if such request for special meeting is received less than 90 days before the date fixed for the next annual or special meeting of the Corporation’s shareholders, such election of Preferred Directors shall be held at such next annual or special meeting of shareholders), followed by such election of such Preferred Directors at each subsequent annual meeting of shareholders until all full dividends have been declared and paid on the Series A Preferred Stock for Series A Dividend Periods after the Nonpayment Event that, in the aggregate, equal at least 12 consecutive months, except as provided by law, subject to re-vesting in the event of each and every subsequent Nonpayment Event.

When dividends have been paid in full (or declared and a sum sufficient for the payment of such dividends have been set aside for payment) on the Series A Preferred Stock for Series A Dividend Periods after a Nonpayment Event that, in the aggregate, equal at least 12 consecutive months, then the right of the holders of Series A Preferred Stock to elect the Preferred Stock Directors shall cease (but subject in any case to re-vesting of such voting rights in the case of each and every subsequent Nonpayment Event), and the Preferred Directors shall cease to be qualified as directors, the term of office of all Preferred Directors then in office shall terminate immediately and the Corporation’s authorized number of directors shall be automatically reduced by the number of Preferred Directors elected pursuant hereto. Any Preferred Director may be removed at any time, with or without cause by a majority of the outstanding shares of Series A Preferred Stock (along with holders of any Special Voting Preferred Stock then outstanding, voting together as a class based on respective liquidation preferences). If the office of any Preferred Director becomes vacant for any reason other than removal from office as aforesaid, the remaining Preferred Director may choose, by means of written consent, a successor who shall hold office for the unexpired term in respect of which such vacancy occurred, or if none remains in office, by a vote of the holders of a majority of the outstanding shares of Series A Preferred Stock (along with holders of any Special Voting Preferred Stock then outstanding, voting together as a class based on respective liquidation preferences). The Preferred Directors shall each be entitled to one vote per director on any matter on which directors of the Corporation are entitled to vote.

(d) The rules and procedures for calling and conducting any meeting of the holders of Series A Preferred Stock (including, without limitation, the fixing of a record date in connection therewith), the solicitation and use of proxies at such a meeting, the obtaining of written consents and any other aspect or matter with regard to such meeting or such consents shall be governed by any rules that the Board or any duly authorized committee of the Board, in its discretion, may adopt from time to time, which rules and procedures shall conform to the requirements of the Articles (as then in effect), the Bylaws (as then in effect), and applicable law and the rules of any national securities exchange on which the Series A Preferred Stock is listed or traded at the time.

8. **Conversion Rights.** The holders of shares of Series A Preferred Stock shall not have any rights to convert such shares into shares of any other class or series of securities of the Corporation.

9. **Preemptive Rights.** The holders of shares of Series A Preferred Stock will have no preemptive rights with respect to any shares of the Corporation’s capital stock or any of its other securities convertible into or carrying rights or options to purchase or otherwise acquire any such capital stock or any interest therein, regardless of how such securities, or such warrants, rights or options, may be designated, issued or granted.

10. **Certificates.** The Corporation may at its option issue shares of Series A Preferred Stock without certificates. If certificated, the Corporation shall replace any mutilated certificate at the holder’s expense upon surrender of that certificate to the Corporation. The Corporation shall replace certificates that become destroyed, stolen or lost at the holder’s expense upon delivery to the Corporation of reasonably satisfactory evidence that the certificate has been destroyed, stolen or lost, together with any indemnity that may be reasonably required by the Corporation.

11. **Transfer Agent.** The Corporation shall appoint a transfer agent for the Series A Preferred Stock. The Corporation may, in its sole discretion, remove the transfer agent in accordance with the agreement between the Corporation and the transfer agent; provided that the Corporation shall appoint a successor transfer agent who shall accept such appointment prior to the effectiveness of such removal.
12. **Registrar.** The Corporation shall appoint a registrar for the Series A Preferred Stock. The Corporation may, in its sole discretion, remove the registrar in accordance with the agreement between the Corporation and the registrar; provided that the Corporation shall appoint a successor registrar who shall accept such appointment prior to the effectiveness of such removal.

13. **Calculation Agent.** The Corporation shall appoint a calculation agent for the Series A Preferred Stock prior to June 15, 2022. The Corporation may, in its sole discretion, remove the calculation agent in accordance with the agreement between the Corporation and the calculation agent; provided that, on or after June 15, 2022, the Corporation shall appoint a successor calculation agent who shall accept such appointment prior to the effectiveness of such removal.

14. **No Other Rights.** The shares of Series A Preferred Stock shall not have any rights, preferences, privileges or voting powers or relative, participating, optional or other special rights, or qualifications, limitations or restrictions thereof, other than as set forth herein or in the Articles, or as provided by applicable law.
IN WITNESS WHEREOF, the Corporation has caused this Certificate of Designation to be signed by Kenneth A. Brause, its Executive Vice President and Treasurer, June 6, 2017.
